

Sam Barlow High School

Water Polo 2009

The Sam Barlow Water Polo team is putting together a 2009 water polo program. This program will include information on the Barlow players, game schedules, Mt. Hood Conference water polo rosters and schedules, along with as many facts and figures that we can find to include for your reading enjoyment. The programs will be sold all Barlow home games, along with our Barlow Jamboree.

As a fundraiser, Barlow water polo players will be selling advertisement spots to be included throughout the program. Every player is responsible for selling 3 advertising spots (or \$150 worth in donations).

Cost:

\$50 = 1 business card size of advertising

*Checks must be payable to "Barlow Water Polo"

Getting Sponsors:

1. Find a sponsor or business willing to give you a business card for \$50.
2. Fill out your sponsor form & collect their business card.
3. Give them the bottom portion of sponsor form as a receipt.
4. Turn money and business card into Angie on or before Sept 9th.

All the money raised from the advertising and program sales will go directly toward the Barlow Water Polo Team. Our team needs this money to cover additional coaching costs that the donation did not cover, along with all tournaments and new equipment.

All advertising sales need to be completed NO LATER THAN Wed, Sept 9th. All money and business cards need to be handed in together at this time. If a business is unable to turn money in by Sept 9th, have them contact Coach Angie.

Larger Donations:

We GLADLY accept larger donations!

\$100 = half page advertisement in the program.

\$500 = Banner to be displayed on wall at Barlow Pool.

Business information and logo needs to be emailed to Coach Angie.
